Message from the President

Welcome to 2020!

It is a special year for the VSWGGA as we are 90 years old as an organization. It all began when the first Vermont Women's Amateur was held in 1930. As the organization grew, State Days started in 1955. The Senior Championship was added in 1966 and the Mid-Amateur Championship in 1996. Remember the founding women ran these events without computers! They were truly dedicated to women's golf.

The organization remains strong thanks to our members. Our State Days are fundamental - our club reps and volunteers highlight their home courses. Others contribute in so many ways: Pam Boyd - Website, Jen Farrington - Administration, Jen Steck - Major Tournament Chair and manager of the member handbook, Cathy Neff - Rules Chair, Lauri Brown - Junior Golf, Nancy Myers - Pace of Play, Kathy Sikora - Communications, Dana Cassidy - State Day Chair, and Chris Johnson - Treasurer. Thanks to Dee Macey for designing our new logos and to Dayle Burditt for suggesting the VSWGGA Green Mountain Challenge. I am grateful to the Board of Directors who keep us focused on our mission and make my job a pleasure.

We have a lot planned for our 90th year. There is a new VSWGGA logo and a special 90th commemorative logo which you will see throughout this year. You will be receiving member gifts to celebrate the 90th year. In the works is an anniversary video which will be put on our web site as soon as it is completed. As a way of celebrating, we are expanding the Fall Awards Classic with tee gifts and an invite to former members to join us for golf and/or lunch.

We also have some new and updated initiatives for the coming year. This will be the inaugural year of the VSWGGA Green Mountain Challenge. This is a challenge to each of our members to play every one of our great State Day Courses. More information will be coming soon. The Forward Tee Program was successful in 2019 and will expand to include 17 courses in 2020. Bring a Friend to State Day will be open to all State Day courses this year. The Junior Golf Program now includes free membership to the VSWGGA and a discount for championship registration.

Let's make this the best year ever!
Encourage your friends to join!
Enjoy the great golf!
Have Fun!

VSWGGA History and Purpose

The Vermont State Women's Golf Association was founded in 1930 by a group of women representing 11 Vermont golf courses. The group was led by Mrs. G. N. Harman of Rutland Country Club, who became the first VSWGGA president. The purpose of forming a women's golf organization was to promote interest in golf among Vermont women and to establish a Vermont state championship.

Junior Golf

The VSWGGA has a junior golf committee to coordinate efforts to promote the game, especially among girls in Vermont. Money is raised by the Closest to the Pin contests at every State Day and is used to donate to the Vermont Golf Association Scholarship as well as various instructional programs throughout the state. Membership to the VSWGGA is now free to all junior members, and discounted or free Amateur Championship fees are available. Please check our website under Junior golf for the latest on our programs.

Handicapping

The USGA Golf Handicap system has transitioned to the World Handicap System. There are some major changes involved. The Vermont Golf Association is responsible for maintaining handicaps for all Vermont golfers, including women. It is the official Vermont source for information, vtga.org. The VSWGGA will have information and links to instructional videos and printed material on the new system, vswga.org.

Course Rating

The Vermont Golf Association is responsible for scheduling course ratings and for processing the information collected. VSWGGA members work with the VGA to rate courses.

State & Regional Amateur Championships

Every year, the VSWGGA organizes three major state championships: Amateur, Senior Amateur, and Mid-Amateur. Every three years, we host the annual Tri-State Championship, a match play tournament for teams from Vermont, New Hampshire and Maine. Vermont will host Tri-States in 2020. Every six years, Vermont hosts the annual New England Women's Golf Championship.

Communications

The VSWGGA has a committee to facilitate communications. Monthly emails are sent to inform the membership of invitational tournaments at our member clubs. These dates and applications will be available on our website. Please send information and applications to Kathy Sikora, g1946golf@gmavt.net

State Days

VSWGGA State Days are weekly one-day 18-hole stroke play events that bring members together for some friendly competition. In 2020, we have 51 State Day events scheduled beginning May 5th. There are 2-3 courses to choose from each Tuesday, with venues in northern, central and southern Vermont. We'll end the season with a day of golf, food, and fun at our annual Fall Awards Classic at Lake Morey Country Club on September 22th.

Bring A Friend to State Day

Bring a friend will be offered at all State Day events in 2020 as long as there is space available. *Friends playing in a State Day will be placed in their own flight and no points will be awarded to them, however, they are eligible for the Closest to the Pin competition.*

Eligibility:

1. The friend must have an active Vermont GHIN card and must register in the Golf Genius system.
2. Participation of any individual will be limited to 2 State Day events.

Procedure:

The member registers her friend (may bring up to 3) using the Golf Genius registration process. The member then emails statedays@vswga.org with the name of the friend /friends and the course. The number of participants in an event will be monitored and the member may be notified that space is unavailable for the requested event.

State Day Registration

How to Register Online: Tournament Management Software powered by Golf Genius will be used to register for all VSWGGA events. The player needs to complete a one-time registration that can be reached through the VSWGGA website. Once registered, a player must update her information each year (ie. e-mail, address and member club), as needed.

When To Register: Registration will open on the 15th of each month for State Days in the following month. Registration for a particular State Day will close at noon on the Thursday before that State Day.

Reserving Carts: When carts are listed as limited for a State Day, you must call the Pro Shop of the host golf course to reserve a cart. If you cancel a State Day at any time, you must also call the Pro Shop to cancel the reservation of the cart.

Posting of Pairings: State Day pairings will be emailed to all VSWGGA players and posted online by noon on the Friday before the scheduled State Day.

Changes after Online Registration is Closed: Changes to a State Day reservation can be made by calling the Pro Shop of the host club beginning Saturday morning through Monday afternoon prior to the State Day. They will accept cancellations. If there are open tee times, they will also add players. If you cancel a State Day, you must also cancel your reserved cart.

State Day Eligibility

To be eligible to play VSWGGA State Days:

- Players must be a member in good standing of the VSWGGA.
- Players must be a member of a VSWGGA member club (real estate course) or Vermont's Lakeside Golf Club.
- **Players must have an active, up-to-date Vermont GHIN Handicap.** Players should contact their clubs to assure that they have an active Vermont GHIN card at the start of the season.

There is no longer a maximum handicap limit for playing in a VSWGGA State Day. Players will play to their full course handicap. The USGA caps the handicap for women at 54.0.

Forward Tee Program

Seventeen State Day events will offer all players the choice of a forward tee in addition to the regular tee. Courses that are offering two sets of tees are listed below.

Procedure:

Courses that are offering two sets of tees will be noted on the individual registration form. Women may sign up for a foursome with members playing from different tees. Instructions will be included on the registration page for the State Day event.

Scoring:

Women playing from the forward tees will have their own flight and will compete against only those playing from the same tee. Points will be awarded dependent on the number of women in the flight.

State Day Check-In

Check In Procedures:

VSWGGA Fees: Players must check in at the VSWGGA registration table. Please pay cash for these fees.

- The State Day fee is \$8.00.
- The fee for Closest to the Pin Contest is \$2.00 with 50% of the proceeds used to support Junior golf.
- IF the course is offering forward tees, and you plan on playing them, please indicate the forward tee preference during online registration and you **MUST CONFIRM** at check-in on the day of play.
- IF you are bringing a friend/friends, you **MUST** indicate so at check-in.
- If you signed up for the State Day late by calling the Pro Shop, you must show an active Vermont GHIN handicap card (hardcopy or electronic) to be eligible for Award Points.

Course and Cart Fees:

Players must pay the course and cart fees directly to the club in the Pro Shop.

- Course fee for an 18-hole course is \$20.
- Course fee for a 9-hole course is \$15.
- The fee for the golf cart will vary by course.
- Acceptance of checks will vary by course. If a check is written it should be written to the golf club. Courses may charge extra if you use a Debit or Credit Card.

Weather

Delays and Cancellations: Decisions to cancel a State Day are made by the Club Pro, Manager or Course Superintendent based on course conditions. If the VSWGGA is notified of a cancellation by 5:00 p.m. Monday, an email will be sent to players who registered online. When feasible, a notification will also be placed on the vswga.org website.

If a player has not received an email on Monday evening, it is her responsibility to contact the club to see if a tournament has been cancelled or delayed. Players will not be emailed or texted.

Inclement Weather while Playing: In case of storm (thunder & lightning), anyone may leave the course at any time if they feel unsafe.

Play Stopped: Not all courses have a method of alerting players to stop play. Check with the Pro Shop for their signals. Many Pro Shops use the following:

- Discontinue Play Immediately: One prolonged note of the siren.
- Discontinue Play after Completion of Hole: Three consecutive notes of the siren.
- Resume Play: Two short notes of the siren.

If play is halted by the Pro Shop, all players must come in at that time. If all players do not discontinue play at the same time, the State Day will not count. If play is not resumed by the Pro Shop, the State Day will only count for Award Points and Closest to the Pin if two-thirds of the field completed play.

State Day Rules

1. VSWGGA State Days are organized under the Rules of Golf set by the USGA and any local rules issued by the host course. These “Fun Days” embody the spirit of friendly competition. We ask everyone to comply, so our events are fair and enjoyable for all.
2. All players must hole out on each hole and record the ACTUAL number of strokes for each hole on their scorecard. Do not adjust for your maximum number of strokes (net double bogey).
3. Proper behavior is expected of all players. In the event of improper behavior by a player during a State Day event, the Club Rep should be notified after play is completed. The Club Rep will then put the complaint in writing and submit to the VSWGGA for further investigation. All such complaints will be confidential. In the event of improper behavior by a player at a Major Tournament, the Tournament Director should be notified.

Penalties

Penalties are assessed for repeated violations of rules or procedures, and only after a thorough review.

- A penalty is issued when a player does not show up for a State Day and has not cancelled or sent a substitute. Players do not receive penalties for DQs, NCs or WDs.
- Players are allowed one penalty with no notice.
- On receipt of a second penalty, a courtesy/warning letter will be sent to the player, notifying her of the two penalties and advising her of the consequences.
- A third penalty will result in a suspension of play for the rest of the season.

Cancellations

- Cancellations will be accepted until 6:00 p.m. on the day prior to a VSWGGA State Day event. You must either cancel OR find a sub. Substitute golfers will be permitted, but they must be a current VSWGGA member and show an active Vermont GHIN card at registration.
- Players could be held responsible for cart fees if the cart reservation has not been cancelled.

State Day Rules

Disqualification

A player who makes a serious Rules violation will be disqualified. For example, a player hits her ball out of bounds and does not proceed under stroke and distance. Instead, she takes a drop near where the ball went out of bounds, holes out, and tees off on the next hole. Write disqualified or DQ beside the appropriate name on the scorecard. Submit the card after the round. No VSWGGA penalty will be assessed. However, if a player shows a pattern of DQs, the board will be notified for review.

No Card - Explanation

A No Card occurs when a player has played according to the Rules of Golf, but has not completed her round or does not want her score in the results. Write No Card or NC beside the appropriate name on the scorecard. Submit the card after the round. The VSWGGA will post an adjusted score to GHIN, using ESC, based on the number of holes played. No VSWGGA penalty will be assessed. However, if a player shows a pattern of NCs, the board will be notified for review.

Medical Withdrawal

When a player experiences a medical problem that prevents her from continuing to play, write Medical Withdrawal or MW beside the appropriate name on the scorecard. Submit the card. No VSWGGA penalty will be assessed. However, if a player shows a pattern of MWs, the board will be notified for review.

State Day Scores

The VSWGGA will post ALL State Day Scores to GHIN using the World Handicapping System maximum strokes of net double bogey and designate each with “A” for an away game. Note that the score will be marked as away even if the State Day was at your home course.

Submitting Scorecards

Players must report to the scoring table or Pro Shop IMMEDIATELY upon completion of their round. Players should then verify scores, sign cards, and return completed scorecard(s). Either a group card or individual cards are acceptable. Starting time and finishing time will be recorded by the scorer.

A player MUST hand in a scorecard even if she DQ’s, NC’s or WD’s.

Full Field Results

All State Day participants will receive an email notification of the State Day scores. These scores will also be available via a link on vswga.org. The complete State Day results including Closest to the Pin winners will be available as soon as possible via email and a link on vswga.org.

State Day Pace of Play Rules

A player's starting time and finishing time must be recorded. Report to the scoring table or Pro Shop IMMEDIATELY upon completion of the round. Verify scores, sign cards, and turn in completed scorecard(s).

If you go to your car, change your shoes, etc., your scorecard will reflect an incorrect finish time and subject your group to a "slow play" penalty. Players who finish more than 15 minutes behind the group in front of them will receive a warning after the first occurrence. A second occurrence will result in a penalty. EACH golfer in the group will be penalized. (Your position in the field will be taken into account. If you finish 20 minutes behind a twosome, but played in 4 1/2 hours, on a par 72 course, you would not be subject to a warning or a penalty. This is based on the USGA assuming 15 minutes for each par 4, 18 minutes for each par 5 and 12 minutes for each par 3. For example, Links at Lang Farm is a par 60 and should be played in 3 hours and 54 minutes.) The first infraction results in a warning. The second infraction results in a "turtle" designation for 4 weeks. The third infraction results in the "turtle" designation for an additional 8 weeks. A "turtle" prevents you and any golfer in your group from receiving a tee time before noon. Where tee times don't extend that late, you will receive one of the last tee times.

Tips to Speed Up Play

Playing at a better pace is not about hurrying up or rushing around the course. It is simply about being more efficient with your time. Two minutes saved per hole will save thirty-six minutes per round.

- Follow the flight of all tee shots, not just your own.
- Play a provisional ball if you think your original ball might be lost or out of bounds.
- Keep up with the group in front of you. Your correct position on the course is immediately behind the group in front of you, not immediately in front of the group behind you.
- Before reaching your ball, take note of distance and think about club selection. Take 2 or 3 clubs to your ball. Be at your ball and ready to play when it is your turn.
- Study the line of your putt while others are preparing to putt out.
- Record scores at the next tee, not at the green.
- Pay attention to the location of your cart. Don't leave it behind.
- When sharing carts, don't wait in the cart while your cartmate hits. You can do as much early preparation for your turn as possible. This might include taking a couple of clubs and walking to your ball.
- Agree to play ready golf.
- Occasionally a group falls way behind. This is apparent when there are one to two open holes ahead of them. In these situations, the VSWGGA board advises:
 1. The slow group should look back and offer to let the waiting group play through.
 2. The group immediately behind the slow group should contact the slow group and ask to play through.

Things to Remember

The purpose of this Association is to promote interest and friendly competition in golf and to encourage the development of women golfers in Vermont.

State Day participants are reminded that when clubs host one of our events, it may inconvenience their members as well as cost them additional money to staff the club facilities to accommodate us.

We ask that players be mindful of the services provided for us, and ask you to:

- Consider eating lunch at the club.
- Support the Pro Shop.
- Wear appropriate attire – no “short” shorts or tank tops. Many courses have more specific dress codes and we ask that you abide by their rules.
- Follow the club’s instructions for driving carts and be sure not to drive near the greens or on the tee boxes.
- Replace divots, fix ball marks, and rake bunkers.

Remember that we are guests and not all clubs have the same policies and procedures. Please respect each club’s individual policies. Be gracious and express your appreciation where appropriate. If you have a complaint, alert the Tournament Directors or the State Day Chair, and not the club staff. Rudeness and disrespect demonstrated by any VSWGGA member will not be tolerated and will be dealt with by the VSWGGA Board of Directors, and could lead to sanctions.

Your cooperation on these items is greatly appreciated. The opportunity to play competitive golf at quality courses will continue in the future only if we recognize our responsibilities to each host club.
