

VSWGGA Green Mountain Challenge

Honor Roll

2020 Standings

The VSWGGA is challenging its members to play many (or all) of the golf courses the amazing state of Vermont offers. Any course that is played during State Days or Major Tournaments qualifies for your total, but each course may only be counted once. This is our Honor Roll of players who have reached the first milestone in the challenge, having played 15 courses.

First to 15 Club

Patty Baroudi	Capital City Country Club	15	9/8/2020
